Total number of licensed High Cost Credit Providers: 27

- *Term of Loan (1): The associated length of loan with the product that attracts the firm's maximum APR;*
- *Term of Loan (2): The associated length of loan with the product that attracts the firm's maximum cost of credit per € 100 borrowed;*

- *Maximum Cost of Credit per € 100: Cost of credit is calculated by expressing the total interest amount charged to the consumer as a percentage of the amount of the loan. For example, if a consumer borrowed € 100 and had to repay a total of € 120, including interest, the cost of credit per € 100 is 20%.*
- *Terms & Conditions/Restrictions: Each firm is subject to certain restrictions in relation to the interest rates, costs of credit and terms and conditions attached to their loans. These are set out in the firm's licence and licence appendix which can be viewed by clicking on the firm's name.*
